

Ruth Scott Chopin Competition
Application Form

The Ruth Scott Chopin competition will take place every year, on the Sunday evening before the Fiesta portion of Music Week. Ruth Scott was a piano teacher in Campbell River for many years, and one of the founding members of Friends of Music. Her friends and family have created a scholarship to honour her, with a prize of \$500 to the best performance (as chosen by the Fiesta master teacher) of a Chopin work.

Applicants may be of any age, but must be current students of Friends of Music members, and planning to continue with their musical studies. The winner will be invited to play at the Finale concert. Entrants must be living within the SD 71 and 72 boundaries.

The application fee is \$10. The application deadline is March 1. You may write one cheque for all applications to this competition, but do not combine it with the Music Week amount. Make the cheque out to the Ruth Scott Chopin Competition
