

Frances Keen, Noreen M. and C.C. (Mickey) Halleran Memorial Scholarship Application

The Keen Halleran Scholarship was first established in May 2003 as the Halleran Scholarship by Frances Keen (1955-2006), in recognition of her high school band/choir and piano teachers, Noreen and Mickey Halleran of Quesnel, B.C. Unfortunately Fran passed away before she could finish her project. The project was completed and Frances' name was added to the scholarship in recognition of her work as an elementary choir and band teacher, as a community choir director and advocate of music education and music in the community.

The Scholarship fund will benefit a piano student who:

- * has studied for a minimum of one year in Campbell River
- * is continuing to study piano at university
- * has completed at least the first year of an undergraduate degree in music or is in a postgraduate degree program in music
- * is a full-time student

In case of there not being a candidate who meets the above criteria, the fund may be allotted to an adult/children's community arts group such as choir, band, or musical theatre in Campbell River. As well the fund may then be directed towards workshops or projects such as recordings.
